Message from Deirdre Hawkins

Welcome to the Hawkins Tap Company's Holiday Extravaganza!

Artistic Director, Beverly Stewart-Short, certainly knows how to "put on a show" which features exceptional dancers, actors, and singers coming together to share a story that will delight each of you!

I've often imagined myself at an inn at Christmas, maybe in Connecticut or another New England state, complete with snowstorms, wild and crazy guests, and unexpected mishaps. However, I have never actually experienced such fun – until now!

"Holiday Inn" is delightful and heartwarming glimpse into a world of entertainment that our terrific tap dancers share with you! The production "taps in" the holiday spirit with smiles and laughter!

Hats off to Artistic Director, Beverly Stewart-Short and each of our dancers, actors, singers and technical crew who are bringing a wonderful holiday show to you!

May your holidays be filled with family, love and joy!

Sincerely yours,

Deirdre Hawkins

Artistic Director's Message

I am very pleased to welcome you to Hawkins Tap Company's "Holiday Inn!" My inspiration for the show was really just a thought that popped into my head ...a hotel...called "Holiday Inn"...Once that thought emerged, I kept thinking of how much fun it would be to create a whole show around the various happenings at a hotel! Most people can identify with having a best friend & having a dream in life, so to have 2 best friends live out their dream of opening their own hotel seemed like a heartwarming story. With this idea, I felt like I could create a fun, entertaining, engaging show that audiences of all ages could enjoy during the holiday season.

After about 6 months of planning...here we are! I cannot tell you how thrilling it has been to weave together this amazingly magical "tapestry" called "Holiday Inn." With the talent I have had the privilege to work with, the journey has been an absolute joy. Hawkins Tap Company has 27 members & I adore each and every one of them! With their dedication and passion for exploring this fabulous art form called "tap," they have grown and improved in amazing ways. They truly inspire me and I feel blessed that I get to showcase their hard work, passion & energy in our very own holiday concert.

I am also so very grateful for the incredible guest performers that graciously accepted my invitation to be a part of this adventure: Jake Montoya as the crazy Russian choreographer (Jakob Montoyovsky), Hawkins Contemporary Jazz Company, Steppin' Out Adult Tap Troupe, Happy Feet Tap Troupe, Hawkins Classical & Contemporary Ballet Company, Kira Regan & Miranda Shearer, Alex Greenlee as the hotel janitor & Emma Vance as the hotel maid. Oh, and I cannot forget two of my favorite people in the world...Marissa Tidrick & Maureen Roman as the silly Southern best friends (Mitzy & Mo) that own the hotel.

With this much talent illuminating the stage, you will be sure to be entertained and inspired! So...sit back, relax, and enjoy this fun, heartwarming story called... "Holiday Inn." ~Bev

Holiday Inn

A Special Thank You...

I would just like to take a moment to acknowledge Luke Hawkins as the Co-Artistic Director of Hawkins Tap Company.

I have known Luke since he was a young boy of 10 years old. Back then, he took my tap & musical theatre classes and always impressed me as a delightful, talented boy. He was SO good in my tap classes that I remember often asking him to teach me his "own steps" after class! Through the years, I have watched him grow and mature into an amazing young man that shares his passion for performing and tap dance everywhere he goes.

I am indeed honored that now, 20 years later, Luke and I are the team of directors for Hawkins Tap Company. Even though Luke is living in New York, traveling the world and performing on and off

Broadway, he is a very important part of what makes Hawkins Tap Company successful. Whenever he is in town, he's teaching, challenging & inspiring our young dancers. Whenever he is off "lighting up the world" with his talent, he is ALWAYS supporting us from afar.

Thank you, Luke for all that you are! I truly could not do my job as Artistic Director without your continual support, passion and influence.

You are a true inspiration.... ~ Bev

Excessive Noise

Talking during the performance, excessive coughing, pagers, cell phones and watch alarms can disrupt the performance. Please be sensitive to the dancers and other audience members.

Photographs and Recording Devices

No photographs (with or without flash,) recordings or videotaping of any concert may be made without the express consent of Hawkins School of Performing Arts.

Latecomers

All concerts will begin on time. If by chance you do arrive late, you will be seated during a suitable interval in the program.

Smoking

Smoking is not permitted anywhere in the building.

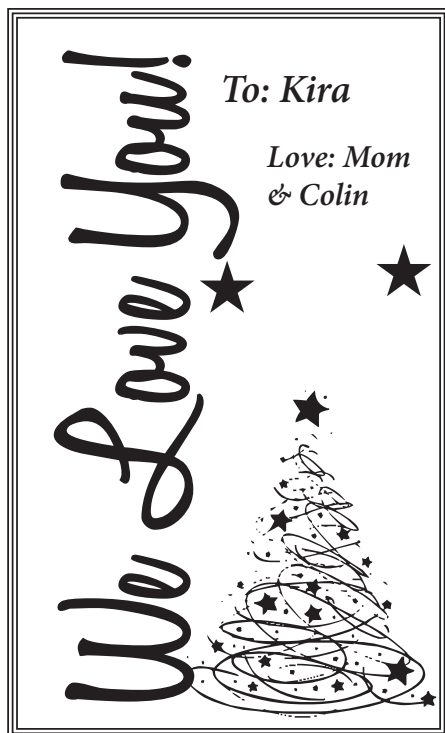

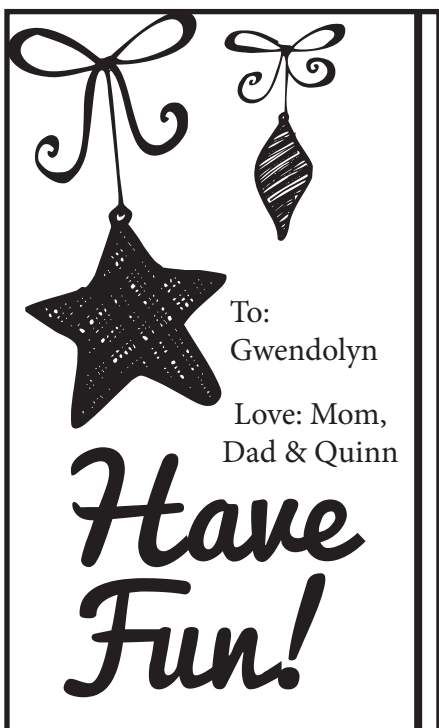

Boosters

The Booster Club provides activities and services for all Hawkins students and promotes the performing arts in our community.

Membership for the year is \$10 and all members get a Hawkins window decal.

Visit the Boosters table in the studio lobby Monday-Friday or in the theater lobby during “*Holiday Inn*” or email us at hawkinsboosters@gmail.com.

The Boosters would like to congratulate all of the performers who participated in the “*Holiday Inn*” production, especially members of the Hawkins Tap Company!
Great show everyone!!
